their whole territory)

Jointly for our common future

- ✓ Stakeholders of the different countries have higher awareness on each other's standards, procedures, requirements...
- ✓ Sound partnerships and networks improved the planning capacity for a lot of regional / local public administrations
- ✓ Studies have been carried out, data have been collected, agreements have been signed: these are all PUBLIC and AVAILABLE for future capitalisation
- ✓ Neighbouring approaches have been learned, to strengthen visibility and position where decisions are taken
- ✓ Synergy building among projects and capitalisation of project results started along certain well defined thematic poles
