FEDERATION OF INDUSTRIES OF NORTHERN GREECE

Official name in English	Federation of Industris of Northern Greece (FING)	
Full name in original language	Σύνδεσμος Βιομηχανιών Βορείου Ελλάδας (ΣΒΒΕ)	
ERDF PP1	Greece	
Abbreviation in the project	Country	
Type of institution	Business Association	
Short description of its activity	<p>FING since its foundation in 1915 is active in its efforts to promote not only industrial development, but also economic and social progress in Northern Greece. It proposes and contributes to actions aimed at establishing and promoting the competitive advantages of Northern Greece, as well as to the promotion of the overall economic development of the region.</p> <p>The main aims of FING's development strategy have, for many years, been based on overall regional growth and development, as well as on the industrial development and international competitiveness of Greek industries, and on Balkan and Black Sea economic co-operative ventures.</p> <p>Over the years, FING has worked ceaselessly to achieve these goals and will continue its efforts to maximize and channel the benefits of these activities not only towards industrial development but, on a more general level, towards the economic and social progress of the regions of Makedonia, Thrace and Epirus.</p> <p>1 Morihovou Sq., GR54625 Thessaloniki, Greece</p>
